In submitting herewith an extract from docket No. 313 of the 17th September 1902, from the Deputy Inspector of Schools, recommending on the ground of poverty, that an honorarium of not less than ~~Rs~~ fifteen may be paid to Rama Char who was one of the examiners appointed to examine the students trained in the Indigenous Hospital at Mysore (vide my letter No. 451 of the 19th November 1902), I have the honor to state that it does not appear desirable to make any such invidious distinction and that the poverty of the Examiner referred to can scarcely be accepted as a reason for consideration in a question of this kind. I would therefore venture to suggest that rewards
